

### **REMARKS**

The application has been reviewed in light of the outstanding Office Action dated June 23, 2005. In response, Applicant submits the following:

1. The information requested by the Examiner in the outstanding Office Action pursuant to 37 CFR 1.105 is unknown (see 37 CFR 1.105(a)(3)). That is, Applicants did not rely on any non-patent literature, issued patent or published application (U.S. or foreign) to develop the claimed invention. Applicants make this response with full knowledge of the duty of candor and good faith under 37 CFR 1.56.
2. No working prototype of the claimed invention is available for testing by the Examiner, and the invention is not commercially available at the present time.
3. There are currently no tradenames or providers of any product or service corresponding to the claimed invention.
4. The application has been assigned to Voxage, Ltd., the assignment of which was recorded at the U.S. Patent and Trademark Office at reel no. 012149, frame no. 0315.

Filed concurrently with the present response is an Information Disclosure Statement, citing prior art which was not relied upon by the Applicants in the invention process. The prior art being cited is prior art cited in published patent application nos. 20020116349 and 20040009762, each having an applicant in common with the present application.

Accordingly, Applicants respectfully request favorable reconsideration and early passage to issue of the present application.

No fee is currently due for the present response, except for the fee for extending the time for response. In the event that it is determined that additional fees are due, the Commissioner is hereby authorized to charge the undersigned's Deposit Account No. 50-0311, Ref. No. 22097-003, Customer No. 35437.
